THE WHITE HOUSE

Washington

March 26, 1958

MEMORANDUM FOR

The Honorable Allen W. Dulles
Director
Central Intelligence Agency

This is in reference to your March tenth letter to Governor Adams, enclosing a suggested draft reply to a letter from Mrs. F. R. Bartholomew.

I think a reply from here must be in more detail. I am sure Mrs. Bartholomew would feel the White House ought to answer her inquiry about actions of the State and Defense Departments. Presumably State will answer only for itself. But I don't believe the White House can fail to discuss with her the actions of both Departments.

I wonder, therefore, if your people could take another look at this, checking with Defense and State, so that the White House answer may be a more complete response.
